

You can't do this with Salesforce

The screenshot shows a Slack channel conversation. The first message is from user **Roflmeister** on 08/09/2017, with the text "who's got the you can't do that with sf". The second message is from user **Wizno** on 08/09/2017, with the text "I got you fam". Below the second message are reaction buttons for a smiley face (3) and a heart (4). A file named **can_t_do_this_with_salesforce.mp3** (50.66 KB) is attached to the conversation. The file player shows a progress bar at 0:00 / 0:02 and a volume icon.
