

That one Hardcoded Id

there is one ID in the world

that is ok to hardcode

[7:50 PM]

[7:51 PM]

```
recordTypeId: '0120000000000000AAA'
```

the master picklist record id if your subject has no record types

[7:51 PM]

it's not very useful, except here

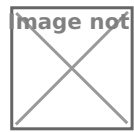

[7:51 PM]
